PFF Oline Rank #14 In 2019

The 49ers offensive line held up for most of last season despite missing Joe Staley for some time last year. With Staley back at left tackle, the 49ers team should have another season of above-average line play and a Quarterback in Jimmy G, who can get rid of the ball quickly. The run game speaks for itself behind this offensive line. I look for the 49ers to have another good season in 2020.
