### **PFF Oline Rank #4th In 2019**

Not much needs to be said about this group. The combination of Tyron Smith, Zach Martin, Travis Frederick, and La'el Collins is one of the best in all of football. Unfortunately, Travis Frederick has retired from the NFL. Leaving a massive hole at the center position for the Cowboys. The Cowboys drafted center Tyler Biadasz in this year's draft (round 4) and also added Joe Looney via free agency. It's hard to imagine the Cowboys getting play at that position the caliber of Frederick. With that said, Frederick's play was not as good as past years in 2019, where he was a top 3 center in the NFL, but it was still above average. I believe the Cowboys line will still be a good offensive line, but the top 5 days may be over.
