PFF Oline Rank #1st In 2019

I have to agree with PFF on this one. The Eagles offensive line in 2019 was the best group in football. They were anchored by Lane Johnson, Jason Peters, Brandon Brooks, Jason Kelce, and Isaac Seumalo. The problem for 2020 is that Jason Peters was not resigned to the roster because the Eagles drafted his replacement in the 2019 draft in Andre Dillard, who, in my opinion, is a downgrade to Peters. The loss of Brandon Brooks with a torn Achilles is horrible for this Eagles team as he was graded out as the #1 overall Guard in all of football. I would guess that Matt Pryor takes Brooks spot at right guard, and Dillard is the teams left tackle. With Kelce, Johnson, and Seumalo still staffing their regular positions, this line should still be good, but top 12 good, not #1 overall.
