PFF Oline Rank #13th In 2019

The offensive line was not the issue for the Redskins in 2019. Even with Trent Williams sitting out the whole season, the Redskins offensive line still played well. Brandon Scherff played at a high caliber before being put on I.R. in week 14 due to a shoulder and elbow injury. Chase Roullier and Cornelius Lucas and Morgan Moses all played above average last season. The Redskins line will stay together once again in 2020, and with the addition of Saahdiq Charles via the draft, possibly get better.
