Booth Information

We are happy to announce that vendor registration is now being accepted. Please complete the following application with a description of your booth (items you would sell/advertise, etc), links to websites and/or social media or attach pictures for us to review.

DIGNITY Awareness Foundation, Inc. is a non-profit organization that emphasizes the importance of community solidarity and collaboration in addressing the needs of the At-Risk Youth, the homeless, and the veteran communities. We provide community and educational resources (such as food, water, clothing, care packages, books, mentoring, tutoring, etc.). Proceeds go to support these resources.

We are excited to present "DIGNITY FEST" as it is a community event (festival style) for the entire family to enjoy. There will be local churches, school choirs and bands, games, food, or just come and relax for the concert that evening.

There are many challenges in bringing this festival to the Antelope Valley Community. Please partner with us and bring together diverse stakeholders including government agencies, nonprofit organizations, businesses, faith communities, and individuals, in supporting the efforts to bring morale up in our city and to address the needs of at-risk youth, homeless, veterans and their families in our community. Your support will provide shelter, food, clothing, and other needed resources for this community.
