

2022 Price List

We publish this list as a budgetary guide to help as you pray and plan for how you might be a part of the ministry in Guatemala. Whether you are planning a team visit, or would like to provide a ‘Hand-Up’ to a needy family, we thank you for your consideration.

After not hosting teams in 2020 or 2021, we fully expect a price increase in 2023. For the moment we are maintaining our 2019 cost structure for our early teams in 2022 until we can evaluate the new costs that may be involved post-Covid.

If you have an idea or an event that might not fit precisely within one of the categories listed below, please reach out to us. We can often tailor team itineraries and plan special ministry events so that they have the most impact within the local community, while still meeting your budget needs.
