“Because he is a dynamic personality who has shown he also listens well. He is a common sense kind of guy who has a unique talent in his ability to work and play well with anybody. And he is articulate enough to justify the best decisions in a way that we all can get behind. If anyone will bring us together, he will.” -Volunteer, anonymous

He is inclusive and is always striving to listen and learn. He is the leader we need to pull our community together and make needed improvements.” -Tiffany Peterson Rohdenburg

“Justin is genuinely interested in the people who live in our community. He has the ability to take an idea, put it into action, and follow through to completion.
