New Endorsements

Reka Robinson

“Once he’s in office, he’ll have an open door policy and there won’t be anything happening ‘behind the scenes...’ Justin Raffa is for me, us, this community and I can’t wait to see what we with Justin Raffa will be able to accomplish!”

Santa Claus

“He has a solid record in our community of building arts coalitions, and it’s his nature to build coalitions rather than divide groups. Stay on Santa’s good list, and vote for Justin Raffa!”

Linda Lehman, Benton City Mayor

“As a patron of the arts, Justin's perspective on the Benton County Commission, currently composed of members with backgrounds in law enforcement or politics, serves to broaden Commission viewpoints to be more inclusive and therefore more representative of those of the community.”

Brandon Andersen

“He is just an authentic guy who really wants other people to succeed. That’s something that I really admire in him and that’s something we need for a Commissioner.”
