G **D** **Em** **D** **C**
 I'm gonna make a change, for once in my life

G **D** **Em** **D** **C**
 It's gonna feel real good, gonna make a difference, gonna make it right

G **D** **Em** **D** **C**
 As I, turn up the collar on my favorite winter coat, this wind is blowin' my mind

G **D** **Em** **D**
 I see the kids in the street, with not enough to eat

C
 Who am I, to be blind, pretending not to see their needs

Am **C**
A summer's disregard, a broken bottle top

C **C**
And a one man's soul

Am **C**
They follow each other on the wind ya' know

C **D**
'Cause they got nowhere to go

G
That's why I want you to know

[Chorus]

G **G** **C** **D**
I'm starting with the man in the mirror

G **G** **C** **D**
I'm asking him to change his ways

And no message could have been any clearer

If you wanna make the world a better place

G **D**
Take a look at yourself, and then make a change

Na na na, na na na na, na na, na na, uh-huh

[Verse]

G **D** **Em** **D** **C**
I've been a victim of a selfish kind of love, It's time that I realize

G **D** **Em** **D**
There are some with no home, not a nickel to loan

C
Could it be really me, pretending that they're not alone?

Am **C**
A willow deeply scarred, somebody's broken heart

C **C**
And a washed-out dream

Am **C**
They follow the pattern of the wind, ya' see

C **D**
'Cause they got no place to be

G
That's why I'm starting with me

'Cause when you close your heart
