CHORDS

[Verse 1]

Am **F** **G**
These mist covered moun tains

C **F** **C**
Are a home now for me

Am **Em**
But my home is the low lands

F **G**
And always will be

Am **Em**
Some day you'll return to

F **G**
Your valleys and your farms

Am
And you'll no longer burn

F **G** **Am** **F** **G**
To be brothers in arms

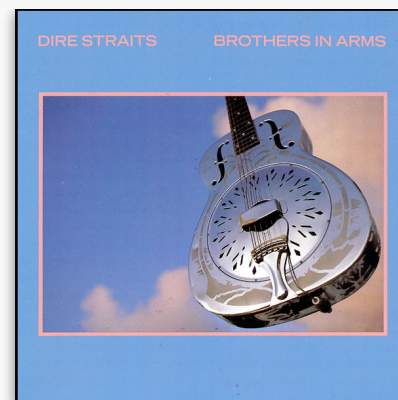

[Verse 2]

Am **F** **G**
Through these fields of destruct ion

C **F** **C**
Baptisms of fire

Am **Em**
I've watched all your suffering

F **G**
As the battles raged higher

And though they did hurt me so bad

In the fear and alarm

You did not desert me

To be brothers in arms

[Verse 3]

There's so many different worlds

So many different suns

And we have just one world

But we live in different ones

[Verse 4]

Now the sun's gone to hell

And the moon's riding high

Let me bid you farewell

Every man has to die

But it's written in the star-light

And every line on your palm

We're fools to make war

On our brothers in arms
