CHORDS

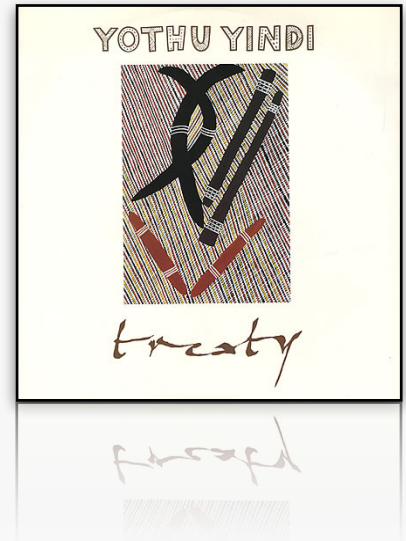

Treaty by Yothu Yindi. From 1991's Tribal Voice.

Written by Paul Kelly, Mandawuy Yunupingu, Stuart Kellaway, Cal Williams, Gurrumul Yunupingu, Milakayngu Mununggurr, Banula Marika and Peter Garrett.

The verses that are sung in Aboriginal are over an F# digeridoo drone, but on guitar, you can play an F#5 or F#m. Also, in the chorus, a rhythm guitar moves from an F#m to an F#m6.

You can also play the F#madd9 chord like it is in the intro during the first verse.
