We're playing those mind games together

Pushing the barriers, planting seeds

Playing the mind guerrilla

Chanting the mantra, peace on earth

We all been playing those mind games forever

Some kinda druid dudes lifting the veil

Doing the mind guerrilla

Some call it magic, the search for the grail

Love is the answer, and you know that, for sure

Love is a flower, you got to let it, you got to let it grow

So keep on playing those mind games together

Faith in the future, outta the now
