B.C.A.T. and BCAT Sports Inc. believes that the use of controlled substances and performance-enhanced drugs constitute a threat to the integrity of interschool athletics and represents a danger to the health and careers of student-athletes, and unduly exposes student-athletes to exploitation. Because of the pressures and adulation that often accompany sports success, the Athletics Department recognizes that our student-athletes may be particularly vulnerable to substance and chemical abuse. As a Sport Program, we are committed to the overall development of our student-athletes and have adopted a policy and program for drug education and the prevention of drug abuse. This policy entails a comprehensive program of education, prevention, drug **testing**, and referral for rehabilitation services of student-athletes engaged in the athletic program at BCAT Schools and BCAT Sports Inc.

BCAT Sports Substance Abuse Program is in compliance and accordance with the policies and programs of BCAT, Florida Department of Education, Department of Children and Families, and it can be reviewed online at [www.BCATSports.com](http://www.BCATSports.com) and in the BCAT Sports policy. ## **STATEMENT OF FAITH**

BCAT Sports works in partnership with BCAT Schools. Therefore, by becoming part of BCAT Sports, you voluntarily chose to abide and accept the "BCAT Statement of Faith" and believes.

1. We believe the Bible to be the inspired and only infallible authoritative Word of God. (2 Timothy 3:16; John 5:39)
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit. (Deuteronomy 6:4; Ephesians 4:4-6; 1 Corinthians 8:6; Matthew 28:19; John 10:30, John 14:9-11; John 15:26)
3. We believe in the Deity of our Lord Jesus Christ (Matthew 16:16; Mark 8:27-29; Luke 9:18-20; Romans 1:3-6), in His virgin birth (Luke 1:27-35; Isaiah 7:14), in His sinless life (1 John 3:5), in His miracles (Acts 2:22; John 3:2), in His vicarious and atoning death (Romans 3:25; 1 Timothy 2:5-6; Hebrews 9:14; 1 Peter 1:18-19; 1 John 2:2), through His shed blood, in His bodily resurrection (Romans 6:9; 1 Corinthians 15:3-5), and in His ascension to the right hand of the Father (Luke 24:50-53; Act 1:9-11; 1 Timothy 3:16), and His personal future return to this earth in power and glory (Act 1:11; John 14:2-3; Philippians 2:6; Hebrews 1:1-4).
4. We believe that the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ. (Luke 24:47; Romans 8:16; Matthew 10:13-15; Titus 2:11; 3:5-7).
5. We believe in the redemptive work of Christ on the cross provides healing of the human body, in answer to believing in Prayer (Isaiah 53:4-5; Mathew 8:15-17; James 5:14-16).
6. We believe that the Baptism of the Holy Spirit is available to all believers (Act 2:4).
7. We believe in the sanctifying power of the holy Spirit by who is indwelling the Christian is enabled to live a Holy life (Romans 6:3-14; 8:1-2, 11). We believe in the spiritual unity of believers in our Lord Jesus Christ. (1 John 3:16; Galatians 6:10; 1 Corinthians 12:13; 1 Peter 3:8; Ephesians 4:1-6, 13-16)
8. We believe in the resurrection of both the saved and the lost: those who are saved unto the resurrection of life, and those who are lost unto the resurrection of damnation. (2 Corinthians 5:10; Romans 14:12; Hebrews 9:27; Acts 24:15; 1 Corinthians 15:51-57; 1 Thessalonians 4:15-18; 1 John 5:11).
9. We believe that God created only male and female and were created to praise him and to multiply forming a family, the man, the woman, and the descendants. Only this can be possible by the union of a man and woman (Genesis 2:21-24; 2:18-20).
10. We believe that God created marriage in the blessing, as a blessing for both man and woman, before any sin or rebellion entered the world, and the He created marriage to be between a man

and a woman, who entered into a covenant relationship, complement one another, serve one another, and sanctify one another for as long they both shall live. Accordingly, we reject any attempt to redefine marriage as a union of people of the same sex, or between more than one man o woman. We believe that the homosexual lifestyle and alternative gender identities are contrary to the Holy Bible (Genesis 1:27-28; Genesis 2:15-24; Leviticus 18:22; Leviticus 20:722; Matthew 19:4-6; Romans 1: 26-32; 1 Corinthians 6:9-11; 7:14; 1 Timothy 1:9-11). We believe that God created the human race male and female and that all conduct with the intent to adopt a gender other than one’s birth gender is immoral and therefore sin. (Genesis1:27; Deuteronomy 22:5). Therefore, Students will use the bathroom in accordance to their birth gender and will be referred to as he or she only.

- 11. We believe that because God created all human life it is sacred and of inestimable worth and to be valued and protected, including pre-born babies, the aged, physically and mentally challenged, and every other staged and condition in all its dimensions from conception through natural death (Psalms 139). We are called to defend, protect and value human life and all form of life.

This Statement of Faith does not exhaust the extent of our beliefs. The scriptures of the Old and New Testaments are the inerrant and inspired Word of God. and speak with final authority concerning truth, morality, and the proper conduct of mankind. For purposes of this school’s faith, doctrine, educational philosophy, beliefs, core values, policies, practices, and discipline, the Board of Directors has final interpretive authority on the meaning and application of the Bible.

BCAT Sports is a non-profit Christian based program, therefore we do pray with our members, as described on the scriptures, and to worship God. The student-athlete may be held financially responsible for items damaged or not returned. This includes the uniforms, gears, etc.

## REQUEST FOR RELEASE TO TRANSFER

Be aware that each student with Step-Up scholarship enrolled in any BCAT School, is usually awarded with a second internal scholarship called Abigail Borrero Scholarship. Student-athletes are expected to attend all their scheduled classes. Permission to make up missed class work because of absence is granted at the discretion of the instructor, and ultimately at the discretion of the School Administration. Although individual instructors may have policies ranging from two absences to unlimited absences, the School Attendance policy supersedes all instructor policies. The only times that a student-athlete should miss classes are:

1. Absences due to an athletic contest or travel to an athletic event. If it was authorized by the school or if it was pertaining to the representation of BCAT or BCAT Sports, Inc., then it will be marked as an excused absence.
2. Illness or injury verified by a doctor or training coach.
3. Personal reasons with prior approval of the instructor, Academic Counselor or School Administration. However, it will still show as an absence, but excused.

Student-athletes must provide a copy of their sports' schedule and class excuses for team travel to their instructors at the beginning of each semester or as soon as available. Arrangements for taking any examinations or completing work assignments affected by team travel are the responsibility of each student-athlete. The student-athlete must contact the instructor to arrange make-up exams or assignments within 1 week after the absence if arrangements cannot be made prior to the absence.

Due to the importance of class attendance, the Academic Counselor will monitor attendance of all student athletes.

1. All unexcused absences will be reported to the head coach.
2. 3 tardies = 1 unexcused absence
3. 10 unexcused absences in 1 semester = the student will be suspended from participation in any sport program event or practice, until he/she shows 30 days of interrupted attendance.
4. 20 unexcused absences during the year = the student will be retained in the same grade level. The student no longer qualifies for the BCAT Sport Program.

## SAMPLE OF STUDENT-ATHLETE CONTRACT

### STUDENT-ATHLETE CONTRACT

STUDENT-ATHLETE: \_\_\_\_\_ SPORT: \_\_\_\_\_

I understand that a fulfilling educational sport experience requires the exercise of responsibilities on the part of both personnel associated with the athletics program and student-athletes. As a student-athlete, I understand my responsibility to commit to the principles of self-discipline, collaborative effort, and team building, and to be an ambassador for the institutions of BCAT and BCAT Sports, Inc.

#### *Academic Standards*

I understand that the athletics department of each BCAT School is committed to the philosophy that student-athletes are students first and foremost and that all student-athletes must exhibit behaviors that demonstrate a commitment to maximizing academic success as their first priority. I understand that the athletics department has created the following standards, strategies, and policies to maximize the possibility of student-athletes meeting their academic goals. I understand that I am obligated to comply with these standards:

- Student-athletes must adhere to all academic requirements (study halls, tutoring sessions, etc.) specified by the academic counselor and school director.
- Student-athletes' academic progress is monitored by the academic support program staff. If at any time, the student is not meeting his or her academic responsibilities (i.e. warning notices, probationary status notices, grade point average reduction, excessive absences notices, etc.) the Assistant Director, Director, Academic Advisor or Counselor will meet with the head coach to determine if playing or practice privileges will be restricted, suspended, or terminated.
- **If a student-athlete's grade point average drops below a 2.5 B, he or she will become automatically ineligible to participate in games and practices until the grade point average returns to the 2.5 B minimum.**
- Sports schedules are designed to minimize missed class time. While there is a possibility that classes missed for regular- or post-season contests that might be approved for certain occasions, the expectation is that student-athletes will make every effort not to miss any additional classes and will only do so under extenuating circumstances such as illness or family emergency. **Excessive absences will result in restriction of a student-athlete's participation in practice or competition, this includes Friday absences. Please see Class Attendance session in the BCAT Sports Student Athlete Handbook.**
- Student-athletes are not permitted to miss any regularly scheduled classes for activities other than scheduled athletics competitions, unless approved by the school Director and the professor of the class is involved.
- Student-athletes are expected to meet all deadline dates for class assignments and are required to make pre-arrangements with instructors when quizzes, tests or special assignments conflict with contest dates, if not possible, the student-athlete is responsible to make such arrangements within 1 week from the absence.

#### *Behavioral Expectations*

I understand that student-athletes are visible representatives of the institution both on campus and off-campus whose behaviors are often closely scrutinized by the media and general public. Student-athlete behavior affects public perception of institutional ethos, athletics department standards, and the character of the student body. Therefore, it is expected that student-athletes will demonstrate consistent role model behavior, sportsmanship and self-control. More specifically:

- Student-athletes must be committed to fair play. Intentional acts of unsportsmanlike behavior or cheating will not be tolerated.
- When representing their teams during competition, student-athletes will exercise self-control in all ways including, but not limited to, resisting the use of profanity, demonstrating unnecessary aggression or hostility

towards others, making inappropriate physical gestures, taunting or excessively celebrating, and disrespecting coaches, officials, teammates or opponents.

- Student-athletes are prohibited from interacting in any negative way with fans.
- When interacting with the media, student-athletes are expected to remain positive and not use media interviews as a platform to share personal frustrations about the team, coaches, the athletics department, or the institution or to make any negative comments about opponents or officials.
- Male Athletes will refrain from using any type of piercings while representing BCAT Sports, Inc., and/or any BCAT Schools at practice, official games, or assisting to any activity that relates to BCAT Sports, Inc. or any BCAT Schools. Female athletes are allowed to wear up to 2 earlobe small piercings, but they can't hang longer than the earlobe for security reasons.
- Any actions that result in a student-athlete being sanctioned by school, local, state, or federal authorities may also result in sanctions from the Sports Program.
- **Parents and Players agree to observe the 24 hours rule, which states that they will allow 24 hours after a game to be able to talk with the coaches about that game.**

### *Physical Conditioning and Training*

I understand that physical conditioning and training programs in preparation for athletics performance as designed and supervised by coaches and support staff (trainers, strength coaches, etc.) require intense physical activities, constant feedback, and creating benchmarks to maximize each athlete's potential and team success. I understand that participation in training and instruction is an educational process that requires collaboration between athletics staff and student-athletes, especially as such collaboration is intended to minimize the inherent risks associated with intense physical activities that can also be mentally and emotionally challenging. Therefore, I understand the need for and accept the following participation responsibilities:

- Report to my coach or an athletics trainer, any change in my physical, mental or emotional well-being that may affect my ability to participate safely. This includes any additions of prescription medications or over the counter supplements.
- Commit to completing all conditioning activities and practice session I am asked to perform to ready me for the physical, mental, and emotional stress associated with my sport unless I have documented limitations that have been approved by the medical or counseling staff.
- **Refrain from outside activities that will enhance my risk of unsafe participation such as excessive exercise, alcohol consumption, using non-prescription drugs, taking over the counter supplements that have not been approved by a health professional or doctors, taking steroids or other performance enhancing or illegal drugs.**
- Follow the guidelines given to me by my coaches and trainers regarding hydration, sleep, and nutrition.
- Communicate with my coach or trainer any time I feel any abnormal or labored physical response to exercise (i.e. pain, nausea, shortness of breath, dizziness, etc.) and to stop the activity immediately.
- Communicate with my coach or trainer any time I feel incapable of continuing to participate due to any physical, mental or emotional distress. I understand that I will not be subjected to any retribution if I self-report physical, mental, or emotional distress and elect to discontinue participation and if I believe retribution took place, I am obligated to report such to the Director of Athletics and my coach.
- Communicate with my coach or athletic trainer if I become aware of another athlete's abnormal or labored physical, mental, or emotional response to any activity.
- Willingly discontinue participation any time a coach, trainer, or strength coach tells me to and, if applicable, follow their directives regarding follow-up meetings with medical staff or other appropriate professionals.
- **Recognize that participation decisions must be made by professional athletics staff members. Parents may not override these decisions.**
- **Student-Athletes are subject to random drug tests.**

### *Teamwork and Team Expectations*

I understand that team unity and team chemistry are key variables for a positive and successful athletics experience. Commitment to team goals is essential which, at times, may take precedence over individual goals. However, I understand that the athletics department does not subscribe to a team culture based on intimidation or mandatory allegiance to questionable practices and requires that all student-athletes be treated fairly by coaches, support staff, and teammates. Under these conditions, I understand that student-athletes are expected to exhibit a level of selflessness that promotes team goals. More specifically:

- Student-athletes are expected to abide by team rules that have been constructed by the team, approved by the coaches, approved by the sports administrator and the school Director and attached to this agreement.
- Student-athletes are expected to abide by all NCAA rules that have been provided in the annual rules orientation session conducted by the athletics department.
- Student-athletes are expected to abide by all athletics department policies that are contained in this agreement, which is available online, including, but not limited to the policies that prohibit alcohol consumption, sexual harassment, bullying, drug use, gambling, and tobacco use.
- Student-athletes are expected to report any actions that establish a class system (hazing, initiations, etc.) to their coach immediately.
- Student-athletes are expected to immediately report any behaviors they would describe as abusive by a coach, staff member, or a teammate to the Director of Athletics and School Director.
- Student-athletes and coaches are expressly prohibited from engaging in sexual intimacies and other forms of inappropriate conduct with each other. Student-athletes are expected to immediately report any such behaviors which serve to destroy the standard of impartiality and professional trust which must be maintained by all coaches,
- Each student-athlete has been oriented about the BCAT Policies which are included in the Student Handbook located at your BCAT School website, and the BCAT Sports Student-Athlete Handbook, which describes the “zero tolerance” policy toward hazing, initiation rituals, sexual harassment, and physical punishment and is expected to honor and contribute to a culture of respect of self and others.

### ***Prohibition of Retaliation***

Creating a culture of personal responsibility requires an assurance to employees and student-athletes that no retaliation will occur against those who report governance association rules violations or misconduct policy violations. Staff and student athletes are expected to report these concerns to the athletics director or the school director.

I agree to accept the participation standards and policies listed above and knowingly accept that violations of these standards may result in a variety of sanctions by the athletics department including, but not limited to restriction, suspension from, or termination of participation in the athletics program.
