## Electronic Safety Devices

Improve your workplace safety with these  
safety devices rated up to category 4

### RFID Safety Sensor:

- 24vdc power
- M12 connector, 5-pin
- IP67 protection
- Polymer housing
- 2 safety outputs + 1 auxillary output
- Indicator lights

### Safety Interlock Slam Latch:

- 24vdc power
- M12 connector, 8-pin
- IP67 protection
- Die-cast aluminum (black)
- Emergency Release Pushbutton
- Indicator lights

### Safety Light Curtains:

- 24vdc power
- M12 connector, 5-pin/8-pin
- IP65 protection
- RES and EDM for increased performance
- Numerous protection field options
