# PowerSafe Automation

## LED Work Lights

Revolutionary LED light strip slides right into a standard T-Slotted Extrusion.

### Advantages:

- Intense & uniform light
- Easy to integrate into T-Slot frame
- Energy Savings over fluorescents
- Expandable five times:
  - Increments of 12” sections
  - using one 24v power supply

### Applications:

- Workstations
- Gate entry of work cells
- Inside control panel cabinets
- Under conveyors

M12 Connector
