

## Machine Guarding

## Electronic Machine Safety

## Machine Tool Safety Guards

## Industrial Automation

# PowerSafe Automation

## CNC Port Spin Window

*Electric wiper to sling coolant and chips for a perfect view into your machining environment*

### Advantages:

- Improve safety
- Increase productivity
- Improve efficiencies
- Improve quality of machining
- For water-soluble & light oil coolants

### Features / Options:

- Sealed connection cavity
- Installs on polycarbonate windows
- Drainage for high coolant applications
- Diamond-like Carbon coating option
- Light-weight aluminum construction
- Dynamic braking to reduce inducted current

Custom Design > Fabrication > Nationwide Installation > Integration

**“Powering a Safer Work Environment”**
