Electronic Machine Safety

Machine Tool Safety Guards

Industrial Automation

PowerSafe Automation

Electronic Safety Devices

U.S. Partner for ReeR Products, an Italian Manufacturer

- Turnkey Options
- Technical Support
- Reliable
- High Quality
- Great Aesthetic Look

Safety Light Curtains:

- Resolution: finger, hand, and access control
- Standard, blanking, and muting options
- Optional watertight and explosion proof curtains
- Numerous options of protection heights and ranges
- Design support and an easy to use product selector

Contactless Safety Sensors:

- Magnus RFID safety sensors
- Magnetic sensors
- Proximity inductive sensors
- Design support

Safety Controllers:

- Monitors several safety sensors & commands at once
- Create complex logical conditions
 - such as muting, timer, counters, memories
- Free programming software
- Design support

Design > Fabrication > Installation > Integration > Work Safely!

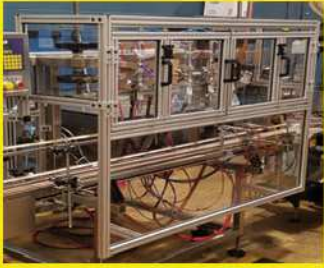

“Powering a Safer Work Environment”

Safety Relays, Interfaces, & Cables:

- Terminal block connections
- 2 NO + 1 NC contacts
- Din rail mounting
- 24VDC
- Design support

Speed Monitoring Safety System:

- Sin/Cos incremental encoder
- Mosaic safety controller
- Free programming software
- For shaft or hollow shaft versions
- Design support

Contact our team for more info on these devices or any other custom Machine Safety Solution your project requires
