

Machine Guarding

Electronic Machine Safety

Machine Tool Safety Guards

Industrial Automation

PowerSafe Automation

Modular Paint & Powder Spray Booths

Turnkey solutions consisting of mechanical, fluid power, electrical, controls, & programming

Justify to Automate:

- Improves quality
- Increase efficiencies
- Expands capacity
- Reduce labor costs
- Reduce lead-times
- Improves worker safety

Features:

- Modular frame design
- Integrated door assists
- Air filtration system
- Intrinsically safe:
 - LED lighting
 - Safety light curtains (ATEX)
- Controls integration
- Integration into production line

Capabilities consist of on-staff engineers, design/programming software, tooling, mills/drills, saws, shear, grinders/sanders, gauges & measuring devices, printers, material handling equipment, and internal systems to facilitate your project.
