## Happy first day of Summer!

I hope you've had as much fun as I have these past few weeks seeing summer friends & making new ones.

Our new manager, Mary Carter, has been doing an amazing job keeping the pool running. Don't forget to sign up for [text alerts using Remind](#) so that she and the assistant managers can alert you when the weather is not on our side.

Also, if you have any family members who want to receive the pool newsletter & other pool emails, please make sure to add their email addresses on your [Member Account](#).

Some dates to put on your calendar:

Friday 6/28- **pool closes early at 5pm**

## Pool Rules, Safety, and Etiquette

Before the pool season starts, take a moment to remind the kiddos of the [Pool Rules](#).

Talk to them about pool safety and etiquette.

We all share the pool, so we need to have respect for all of the other members swimming with us.

- If a child cannot swim or is wearing a safety flotation device, **the child must be in arms reach of their parent or person responsible.**
- Be respectful of those in the pool

around  
you-  
especially  
when  
it's  
crowded.  
Watch  
where  
you  
throw  
beach  
balls  
and  
try  
not  
to  
jump  
in  
too  
close  
to  
other  
members  
who  
might  
not  
want  
to  
be  
splashed.

- Do  
not  
whack  
the  
pool  
noodles  
on  
the  
water.  
They  
are  
community  
noodles  
for  
all  
of  
us  
to  
share,  
and  
whacking  
them

will  
cause  
them  
to  
break  
and  
shed  
foam  
all  
over  
the  
pool.

- Pool  
Deck:  
Walk,  
don't  
run.  
No  
glass  
containers-  
protect  
those  
little  
feet!

- Diving  
Board:  
One  
diver  
at  
a  
time,  
no  
goggles,  
wait  
for  
previous  
diver  
to  
reach  
the  
ladder  
before  
diving,  
and  
swim  
to  
the  
ladder  
immediately  
after  
diving.

- Baby Pool:  
Little swimmers must be accompanied by an adult.  
The Baby Pool is for the little ones- no big kids (unless assisting parents).
- Lounge chairs are for adults when the pool is crowded.
- ABOVE ALL -  
Listen to the lifeguards.  
What they say goes.  
They keep us safe.  
We have

the  
best  
lifeguards  
around!

## **SPOTLIGHT on Board Duties- MAINTENANCE**

In each newsletter this summer, we'll be featuring a different board position. Since this is a community pool, we think everyone should know a little bit about what it takes to make this place run!

### **The 2nd board position we're getting to know is MAINTENANCE.**

Our maintenance guys work year-round to take care of the pool for us. Most of the work they do happens in the months leading up to opening the pool. Without them, we wouldn't be swimming this summer!

Here's a list of just some of the things they take care of throughout the year (not just during the summer):

- \* Fixing the pool heater (Thank you Jaime for spending 16+ hours fixing that heater that's only 2 years old!)
- \* Repairing concrete in and out of the pool
- \* Maintaining the landscaping
- \* Fixing electrical & plumbing issues
- \* Installing our new cameras
- \* Arranging for pool inspection
- \* Resurfacing the diving boards so we don't slip
- \* Repairing or finding replacements for appliances in the snack bar
- \* Painting & power washing
- \* Hanging signs

\* Big improvement projects (they were the ones who planned and organized the building of the pavilion a few years ago AND the remodeling of the restrooms before last summer)

I'm sure there's more, but you get the idea. And don't forget- this is a completely unpaid position. Board members get some free guest passes (just like other volunteers do), but they're giving a lot of their time to make sure our pool opens every summer!
