What's Happening in Parker?

Congratulations Officer Michael Iranfar FOX 31's Support the Shield Officer of the Month

When school is in, Officer Iranfar spends his days at Legend High School. During the summer months, he enjoys working in the community, patrolling, training, and meeting kids and their parents at O'Brien Park's public safety events.

When Office Iranfar shows children and their parents his patrol car, what he enjoys most is seeing their smiles and reactions, "They're like, oh my gosh this is the craziest thing I've seen," he said.

In addition to his police officer training and service, Officer Iranfar also served three active tours in the army and six in the army reserve. And that's why Officer Michael Iranfar was chosen as, FOX31's Support the Shield Officer of the Month.

"I was not expecting this and genuinely thank you," Officer Iranfar said.

Congratulations, Officer Iranfar! Your unwavering commitment and considerable sacrifices throughout your distinguished careers in law enforcement and military service are deeply valued and genuinely appreciated.

Welcome to our Newest Board Member Angie Lutterman, as Treasurer

Please join us in welcoming Angie Lutterman to the COPPS Board. Angie's position holds substantial importance for our team, as she will carry out all treasurer duties including financial record administration, banking relationships, donation and fundraiser coordination, payment of outstanding obligations, and completion of tax and regulatory compliance reports. Welcome to the Board, Angie!

Celebrating The Women Behind the Badge— National Police Woman Day

On Sept 12, the Parker Police Department celebrated the 16 women officers who comprise 17% of its 93 sworn personnel, who bring valuable experience, unique perspectives, and steadfast dedication to their positions every single day. Thank you officers for your commitment to serving others and making a difference in our community.

Fieldhouse Fright Night—October 10 @ 5:30 PM

Children will find plenty of tricks and treats as they explore Trick-or-Treat Street, tackle the climbing wall, and play superhero with the Parker Police Department and South Metro Safety Foundation. This family-friendly Halloween event also features a popular costume contest and giveaways from local sponsors. Be sure to register on their website: <http://parkerrec.com>

Karen's Going Away Presentation

Saying goodbye is never easy, but several board members met at the Parker PD to present our outgoing Treasurer, Karen Angel, with an appreciation plaque for her many years of service to COPPS. Thanks again Karen! Best wishes in your out-of-state move and new endeavors. You'll be missed.
