

UPCOMING: APRIL 9 MEETING

Our next meeting will be on April 9 at 6 p.m. at The Gathering Space, 10423 S. Parker Rd. Our speaker will be David Aden, the first Traffic Engineer in Parker. He is a Civil Engineer and before joining the Town of Parker, he worked on various traffic projects with Denver Regional Council Governments. David will share his experiences and some local traffic stories, including “Why Are the Lights Always Red?”

RECAP: MARCH 12 MEETING

If you weren't at our March meeting, we met at PPD to discuss recent changes to several policies. After the meeting, Sheila Setzer sent out emails to all attendees, asking for comments on 3 new policies: Unlawful or Improper Bias, Recording Devices, and Immigration Status. Please take some time to review these policies and provide your comments to the PPD no later than April 23, 2025.

WELCOME NEW MEMBERS

If you've noticed some new faces at our meetings lately, they are probably graduates of the 2024 Spring or Fall Academy classes. 22 new graduates joined our ranks in 2024. If you haven't met them yet, please join our next meeting and introduce yourself!

Spring 2024

Jessica Berry
Carolyn Berta
Mary Ann Bishop
Bill Dobbs
