

The Planet Reigate Podcast

*Great stories from the places you love
and the people you know*

The Planet Reigate Podcast is a free, weekly, family-friendly 'magazine-type' podcast with a variety of guests and features, exclusively about *here!*

It's for you if you live, work or relax in Reigate, Redhill, Buckland, Betchworth or Brockham - or anywhere in RH1, 2 or 3.

It focuses on all that's *good* about Reigate and the towns and villages in its 'orbit':

- What's going on, things to do and people to meet.
- Local schools and sports.
- 'Good news' stories, successes and local heroes.
- Our signature "Thanks A Million" campaign, supporting local independent shops and businesses.
- *PLUS* competitions and fun features!

The Planet Reigate Podcast is produced and presented by Peter Stewart who has 30 years' experience in BBC and commercial radio - mostly right here in Surrey.

The show has a specially-commissioned theme, professional voiceovers, and interviews recorded locally on location.

Our features include:

The Good Time Guide: things to do and places to go, one-off shows, clubs, talks, all sorts of sports and the great outdoors.

Planet Reigate Stars: thanking local heroes, whether paid staff, volunteers, neighbours - or the stranger who found your keys!

Reigate Roulette: our unique robot-hosted Q&A about what you love about living here.

Priory Bark: conversations with local dog owners about their four-legged friends.

Crack the Code: our weekly all-local detective game for young (and not so young) listeners.

Thanks a Million: our signature 'shop local' campaign to champion local businesses.

One in ten shops in the South East are empty (*British Retail Consortium 2023*). If every adult in Reigate alone spent an extra £1 a week locally, it would boost the town's economy by £1m a year!

In every show we highlight a local business to give it a free boost. So, if you run one or have a favourite one, tell us:

Support and sponsorship

The Planet Reigate Podcast presents a unique opportunity to get your business name, what you do and any special offer, into the ears of a geographically-targeted audience in one of the most affluent areas of the UK. Podcast listeners make a *conscious decision* to subscribe, so it's unlike advertising in a free through-the-door magazine!

Talk to us about sponsoring the entire show or a feature (or we can devise a *custom-made* feature for you), or simply run a stand-alone commercial message.

Our ethos

The Planet Reigate Podcast is overwhelmingly positive (we don't do 'he said, she said' party politics), and fiercely loyal to the area and people who have Reigate as the 'centre of their universe'.

About 30 minutes long, it's free to hear in time for your Saturday breakfast, on Apple and Google podcast apps, Spotify, YouTube, smart-speakers and on ThePlanetReigatePodcast.com
