Dear Friends,

It is my pleasure to be among the many conservatives who are supporting Aaron Bashir's candidacy for state representative for the 172<sup>nd</sup> District of Pennsylvania.

Aaron believes in the sanctity of all human life and has the support of the Pennsylvania Pro-Life Federation. His conservative values along with his involvement in both the business and education sectors will be of great benefit as Aaron seeks to create, secure, and stabilize well-paying jobs for working families.

For years, I have joined millions of people across America in praying that God would raise-up leaders to restore this great nation. I am excited that Aaron answered that call and has stepped up to offer his services to the people of Northeast Philadelphia.

As a private individual, I am honored to endorse Aaron Bashir for state representative in the 172<sup>nd</sup> District of Pennsylvania, and pray that his election will be the start of a new generation of leaders who will return this nation to the constitutional principles upon which it was founded.

Yours truly,
