### ***“Arts in Education Ceremony”***

***Tuesday, December, 15, 2020***

***6:00pm***

Art is both an important tool for learning, as well as a basic part of human nature. Art is not an educational “frill” but a form of expression and a way to convey feelings. PTA recognizes the many ways a quality arts education can benefit all children. The organization has set a goal to establish the arts as a basic component in the curriculum of every public school and to ensure that every child receives a quality arts education. We have (3) three items listed: Citizenship Essay Contest, Safety Poster & Reflections Program that you may enter, please carefully observe the guidelines. [The rules and entry forms for registering to the following programs are located on the website: frayseredu.org](#)

### ***Citizenship Essay Contest***

Frayser Community PTSA is committed to promoting a sense of citizenship and responsibility in the lives of our children – tomorrow’s leaders. To demonstrate the value that FCPTSA places on good citizenship, we are proud to sponsor, support, and encourage students to write an essay for the 2021 Citizenship Essay Contest. This year’s selected theme is **“How has the pandemic affected me?”**

### ***Safety Poster Program***

The Safety Poster Program provides student in grades pre-school through grade 8 the opportunity to design a poster using this year’s theme **“What does being safe mean to me?”** (submitted by a student in Tennessee).

### ***Reflections Program***

The Reflections Program provides students from across the state the opportunity to be creative in developing artwork in any (or all) of six art categories: dance choreography, film production, literature, music composition, photography, and visual arts. Students work on their own to create artwork which best relates their vision of a theme which for 2020-2021 is, **“I Matter Because...”**
