## CHILD CARE RESOURCES & SUPPORTS

We are thankful to all of our community partners who have heeded the call to share and align resources in support of our students and their families. As we prepare for the start of school, we know childcare will be an essential resource for families with essential workers.

Below is a list of community childcare sites available in the Shelby County area for families.

Businesses and organizations interested in becoming Emergency Childcare Providers and/or seeking a Remote Learning Exemption can [find more information here \(files/2020/DHS Childcare Guidance \(4\).pdf\)](http://www.scsk12.org/files/2020/DHS_Childcare_Guidance_(4).pdf).
