David Fruits, President

Hello THS Alumni,

My name is David Fruits. I am currently serving as the President of the Tonkawa High School Alumni Association with the Class of 1983. I cannot begin to tell you how fast forty years have flown by! I hope this letter finds everyone doing well and that you are already planning on attending Homecoming 2024! This year's Homecoming celebrations will take place on October 4th and 5th.

Some of you may have attended our 2023 Homecoming and heard me talk about upcoming projects that the Alumni Association would be raising funds to cover. One project that we will be taking on is re-crowning the football field, installing new grass and adding drainage areas around the inside of the track. Our goal is \$150,000. Tonkawa Schools will also be requesting a bond to renovate the track to repair numerous cracks and loose rubber surfacing.

The football field has not been re-crowned in 40+ years. Low spots are becoming worse and are holding water. There are also two or more different types of Bermuda grass growing on it which results in a non-uniform color. The Alumni Association felt like this is something we could help with, so a motion was made to tackle this project and it unanimously passed!

We are hoping we can count on our Tonkawa Alumnus to help make our goal of \$150,000. This is a way you can support our alma mater regardless of where you now live! Donations can be sent to the following address:

Thank you for your support and Go Bucs!
