

Local Water and Soil Protection Program Application

The purpose of this program is to help Warren County landowners with the necessary means to implement a best management practice (BMP) including a cover crop, gateways and barn access, or a farm clean up to reduce degradation, soil erosion, and improve water quality.

APPLICATION **Cover crop: July 1 – December 1**
DEADLINES **Heavy use area: July 1 – December 1**

No extensions or retroactive approvals will be granted. (Applicants who miss the deadline may reapply, but their application will be considered only after all other eligible applications. Applicants are responsible for tracking deadlines. No reminders will be sent.)

Call/text 270-202-3667, 270-846-4506 or email penny.wccdky@outlook.com with any questions.

We encourage scheduled appoints for office visits to ensure that WCCD staff will be available to assist you, as we are often out of the office in classrooms or conducting field visits.
