

## Adventure Group Ride Out 03.06.2023

Another successful ride out with the gang today covering approximately 120 miles of pristine Essex & Suffolk countryside. The route was full of B roads, unclassified and main roads that kept all entertained.

Starting at the football ground as a meet up point at 8.15 Saturday morning, six members of the group attended for today's ride.

The start point was at Boxted Church leading to Stoke by Nayland, Hitchem and making our way up and across past the A140 over to Stowupland. The weather was amazing, and the roads did not disappoint. After some lunch at Stonham Barns, we continued with the ride. From there we headed off to Framingham castle via all the back roads and we had very limited traffic on route all the way.

The pace was nice and perfect for the roads we were riding on, and these included newly stoned topped roads. Plenty of grip though that gave us confidence to stand on the pegs and get a move on. All riders managed these roads with ease.

Heading back towards Ipswich, via various back roads, we were presented with more lanes and single-track roads that were very interesting, twisty and added excitement to the ride.

From Ipswich we came back through Wherstead to Raydon, Dedham and back to Boxted finishing the Boxted loop. This ride took approximately 4.5 hours with stops.

On the whole a very good day out with the Adventure bike group and we are looking forward to the next jaunt in the coming weeks.
