

### Professional Services • Consulting • Technology • Managed Services

BlueCord Solutions provides cutting edge strategic IT professional services, consulting, procurement, implementation and managed services. Our Consulting can mobilize the right people, skills and technologies to help organizations improve their performance.

As a Small Business with SBA SDVOSB, BlueCord Solutions we are committed to delivering creating, innovative and flexible solutions for our State, Local and Federal clients.

What sets BlueCord Solutions apart from the competition?

- Our People
- Performance-Based Processes
- Innovative Solutions Teams
- Client Relationship Management
- Strategic Mix of Technology and Business

#### CORE CAPABILITIES

Our technology experts and business professionals analyze research, design and implement solutions in the areas of:

- Consulting
- Technology
- Managed Services

#### **Consulting**

Our Consulting Services focus on integrated solutions designed to enhance the performance of your business. By incorporation industry best practices into your business processes and management strategies, we can help you stay ahead of the competition and better serve your customers. Our services include;

- Data Network Strategy & Planning Support
- VoIP Communications Planning
- Physical Security Planning
- Security Assessment
- Wireless Surveys
- Training

#### **Technology**

Our Technology Services focus on developing robust, secure and stable technology solutions for your business. By incorporating common sense solutions into seemingly daunting deliverables, we can ensure at the start of the project that we will safely deliver the product to completion. Our services include;

- Data Center Design Services
- Commercial Off the Shelf (COTS) Integration
- Cloud Computing Services
- Cybersecurity Services
- Architecture Solutions
- Wireless Services

#### **Managed Services**

Many companies choose to focus on their core strengths and outsource certain business processes. If you choose to go that route, BlueCord Solutions can help you in the following areas;

- Business Process Outsourcing
- Application Outsourcing
- Resource Management
- Help Desk Services
- Infrastructure Outsourcing
