The Foundation's **MISSION is to provide charitable and philanthropic support** in furtherance of the HSBA's mission by:

- Increasing public understanding of the law
- Improving the justice system
- Facilitating delivery of and access to legal services
- Promoting the highest ideals of the legal profession
- Inspiring the philanthropic spirit in Hawai'i's legal community

Founded in 2012, the Hawaii State Bar Foundation is an Internal Revenue Code §501(c)(3) (granted in 2014) non-profit corporation whose purpose is to support the charitable and educational mission of the Hawaii State Bar Association ("HSBA").

The Foundation was formed as a non-profit vehicle to facilitate fund-raising for projects furthering HSBA's mission to **promote justice and improve the legal profession**. The HSBA, a §501(c)(6) membership organization, is the sole member of the Foundation with voting rights on essential matters relating to the Foundation.

The HSBA has been raising funds for public service through its annual Bar Dinner since 1993 and since 2014 from the Hawaii State Bar Foundation fellows donations. Such funds have supported many law-related service organizations and HSBA's public service projects.
