

Soda Baptist Church VBS for 2022 is "Farm-Tastic!"

In Barnyard Roundup VBS your children will learn that Jesus is the True Shepherd and He loves His Flock!

In "Barn Raisin' Bible Time, your child will look into the Bible, God's Holy Word, and explore 4 Bible accounts with Mrs. Jennifer Harbuck on how much Jesus loves them, provides for them, protects them, and wants them to be part of His flock, NOW and FOREVER!

Join us as we sing fun songs in our Barnyard Opening & Closing, make some "Udderly Cool Crafts," eat some "Bountiful Blessings" which God provides for His flock, have "Bales of Fun" with crazy games, and more! All of this while learning how much Jesus loves them!
