NOW WE'RE LIVING

Our Best Lives

With exclusively adult, superyacht-inspired lady ships featuring signature red hammocks on most balconies (unique to our brand!) and a focus on offering nothing but exceptional service, our unique vision has been dropping jaws since we first hit the water.

We didn't just build a cruise; we set out to create a revolutionary way to explore the world. Late stays and overnights in captivating destinations like Ibiza, Mykonos, San Juan and beyond give you the opportunity to get to know the real people and real experiences of each destination. Explore over 100 gorgeous ports on more than 60 itineraries, ranging from 3 to 16-nights, around the world.

NOW WE'RE

Flipping the Script

Now we don't mean to show off, but with an entertainment lineup like we have... we certainly can. Our festival-like lineup is all about first-to-sea, modern, and immersive entertainment, as developed by the world's most-talked-about directors, choreographers, and artists. And it all culminates with a drenched-in-red pool and dance party unlike anything you've ever seen. Throughout an evening, the entire ship is transformed into a menagerie of delights and epic experiences with pop-up circus performances, interactive games, myth-telling, and live music that pays tribute to the Goddess of the Sea and the Sailor who won her heart. This is Scarlet Night, and saying anything more than that would spoil the surprise.

“NO COMPETITION!!!
GO VIRGIN.”

Tasty food. Check. Top-notch
entertainment. Check. Wifi.
Check. Gratuities. Check.
Exercise classes. Check. Drinks.

WE LOVED IT.

“I LIKE TO CALL
SAILING WITH
VIRGIN ‘MUCH
MORE INCLUSIVE’.”

I feel like some resorts trick
you with inclusions but there
are caveats. Same as some
other cruise lines. Whereas
Virgin is upfront. The dining
is the best at sea. The crew
is second to none.

“I HAD THE BEST
TIME!”

Celebrating my 30th birthday
with my best friend on this
luxury cruise was what we
needed. The service was
phenomenal, the food was
amazing, the shows were great,
and the parties were fun. I love
how the app kept you in the
loop with reservations,
scheduling, and needed
updates.

“MY HUSBAND AND
I WOULD CHOOSE
A CRUISE WITH
VIRGIN EVERY
SINGLE TIME.”

Everything they include means
you aren't constantly reaching
into your pocket or worried
about your bill at the end.
Compared to hotels right now,
cruising is the best value.
