Summer Camp Details for Middle & High School @ Forest Home July 7-12th 2024

- Location:** Forest Home summer camp is at 40,000 Valley of the Falls Dr, Forest Falls, CA, which is 2.5 hours away near Big Bear. Middle School (entering 6-8th) stays at “Creekside” & high school (entering 9-12th) stay at the “Lakeview” side of camp.
- Dates:** We depart from church July 7th at 12 noon and return Friday July 12th at 2:30pm
- Cost:** \$595 includes all meals, lodging, activities, & transportation. While at camp, students may visit the gift store and purchase items and snack bar during free time.
- Program:** We meet up with different middle and high school students from churches around SoCal. We gather in the mornings and evenings in the amphitheater for powerful worship music and Christ-centered and inspiring speakers. We engage in different activities and cabin discussions in our particular cabins with our church groups as we draw closer to God and one another in meaningful ways.
- Food:** The food is good with healthy portions and various options. We eat together at designated church tables for breakfast, lunch, and dinner at our respective camp sites (Creekside & Lakeview). Food allergies can be accommodated with notice.
- Cabins:** Cabins are bunk-bed style with separate cabins for boys and girls. Each includes private bathroom and shower stalls. Usually 6-8 people to a room from our church. Friends will be matched together in cabins.
- Free Time:** Free time is daily between lunch & dinner. Students have multiple activities to choose from: swimming in the lake, pool, zip lines and climbing walls, crafts, miniature golf or hanging at the really nice main lodge snack bar. It is a beautiful camp!
- Leaders:** There are designated camp leaders as well as a camp director who all live up at FoHo during the summer. Our Monte Vista youth ministry leaders go as well to facilitate discussions and relationships.
- Medical:** Each camp has it's own designated nurse with an additional medical available at the main camp. All medication is turned in at the beginning of camp to the nursing staff, provided during meals and available 24-hours a day with supervision.

How do I register my child for a great week at camp?
