Youth Leadership Team

Dear Parents, Students, and Friends,

Welcome to the 2019-2020 school year! Growing up locally and then living in a variety of other places, I realize how blessed I am to call this area home with my wife Lori and 2 boys. It has been a gift to serve at Monte Vista Church the last 11 years knowing it's only part of the awesome 50+ years our church has been serving our community. This guide reminds us that similar to a road trip along the Pacific Coast Highway, so too is the journey as a student with its ups and downs, places to be cautious, and unparalleled beauty.

Monte Vista's mission statement focuses on seeking to be "prayerful, compassionate, and humble" disciples of Jesus Christ. That's the PCH we'll explore together, as we consider what it looks like as students to live out a life as "PCH" disciples. We'll share fantastic joys and activities, wrestle with challenges, and travel together to experience God's love. We are all invited on this PCH adventure, which then stretches beyond our student years into the world.

It's so comforting to know we have loving tour guides, such as parents and other ministry leaders, to encourage us and help us when we get lost. We have hope from a trusted road map in the Bible and awesome friends to share in our expeditions. May this brochure be your travel guide to help as we navigate through this year and grow in love for God and each other. Let's go!

By His grace,

Matt Elam,

Associate Pastor of Youth & Mission
