

FIRE ESCAPE PLAN

Family Name: _____

Date Created: _____

STEP 1

DRAW A BASIC FLOOR PLAN

- Draw each floor of your home
- Label each room (bedroom, kitchen, living room, etc.)
- Draw all doors and windows
- Mark TWO ways out of every room (door and window)

STEP 2

MARK ESCAPE ROUTES

Use arrows to show your primary escape route

Use dotted arrows to show backup routes

Highlight exits (doors/windows)

STEP 3

DESIGNATE A SAFE MEETING SPOT

Example: nearby neighbor's porch, etc.
