

Documentation:

PROTECT YOUR LICENSE

1 hr CE

- Nurses
- Administrators
- Social Services

September 24th
11:30-1 PM

Strong documentation does more than complete the medical record.

It protects your patients, your organization, and your professional license.

What You'll Learn

- Document clearly
- Avoid damaging charting
- Strengthen documentation
- Apply practical strategies
- Recognize risky documentation practices

**Lunch will be provided*
