HealthTech ASSOCIATES

Medication Manager

This self-paced course includes 12 hours of online training followed by 8 hours of skill check-off with an RN. The student will have up to 60 days to complete the online course and the skill check hours. To verify the skill check hours, a form that is included in the online course must be completed by the RN and uploaded into the course. Our office will validate the form and allow the student to move on to the final exam. The student must earn a minimum score of 80% on the final exam for the certificate of completion to populate within the course.

Complete this form and you will be redirected to payment.
