Pack ONE

FOOD CO-PACKING SERVICES

LIQUID FOODS · DRY FOODS · COLD CHAIN

Your recipe, made and packed for you.

We cook, fill and pack food products under your brand, in our facility. You focus on selling. We handle production.

Who we help

New food brands

Turn a recipe into a shelf-ready product without building a kitchen.

Restaurants and chefs

Package your signature sauce for retail or your own locations.

Growing brands

Add capacity when demand outgrows your own kitchen.

Retailers

Launch a private-label line under your store's name.

Liquid and dry foods
Sauces to snacks, one partner

Cold chain available
Chilled and frozen products

You choose the level
From full service to filling only

packone.ca · projects@packone.ca

From your recipe to a sealed, labelled product

Tell us what you sell and how you want it packed. We take care of the cooking, filling, sealing and coding.

Liquid foods · sauce making and filling

We cook your recipe in batches, then fill and seal it. Before the first run we test the recipe to choose a safe way to make and pack it, so it stays good on the shelf.

EXAMPLES

Pasta and cooking sauces, BBQ and hot sauces, dressings, marinades

PACKED IN

Stand-up pouches, spouted pouches, [other formats]

Dry foods · weighing and packing

We weigh, fill and seal dry products accurately, so every bag matches the weight on your label.

EXAMPLES

[Snacks, spices, grains, baking mixes, powders]

PACKED IN

Pouches and bags, retail or bulk sizes

Cold chain available

Fresh sauces and frozen products stay at the right temperature from the moment they're packed until they leave our door.

Private label

No recipe yet? Choose from our proven products and sell them under your own brand name.

Ask us for the current product list.

You decide how much we handle

In every option we make and pack your product in our facility, under your brand. The difference is who buys the ingredients and packaging.

FULL SERVICE

Turnkey

You give us the recipe. We buy everything and hand you finished product.

Good fit if: you're new and want one simple price per unit.

SHARED

Partial turnkey

We buy some items, you supply others, often your printed pouches or labels.

Good fit if: you already have packaging or a favourite supplier.

PRODUCTION ONLY

Tolling

You deliver all ingredients and packaging. We provide the line and the team.

Good fit if: you already manage your own purchasing.

Who does what

	Turnkey	Partial turnkey	Tolling
Recipe or product idea	**You**	**You**	**You**
Buying ingredients	**Pack One**	Agreed together	**You**
Buying pouches and labels	**Pack One**	Agreed together	**You**
Cooking, filling and sealing	**Pack One**	**Pack One**	**Pack One**
Quality checks and batch records	**Pack One**	**Pack One**	**Pack One**
Lot code and date on every unit	**Pack One**	**Pack One**	**Pack One**
How you pay	One price per unit, all in	Per unit, less what you supply	A fee for line time and labour

Not sure which fits? Tell us about your product on a first call and we'll recommend one. You can change models as you grow.
