# Vendor Spotlight

Meet Mark Kapla, proprietor and founder of Magnet Rocks Jewelry in the Air-Conditioned Corner Shops Mall. Mark is a well-traveled Wisconsin native that was attracted to the Daytona Flea Market while getting his new business of magnetic therapy jewelry into public view. After setting up as a temporary vendor during Race Week in 2013, he soon returned as a full-time vendor, having sold his home up North and relocating to the Daytona area.

When the FDA approved magnetic therapy for treatment of migraine, Mark began developing attractive and versatile magnetic jewelry - now available in 600 different designs and colors. Mark will be

happy to enlighten you on the many uses of magnetic therapy for arthritis, carpal tunnel, fibromyalgia, neuropathy and MS pain. "Buy it for style, wear it for results" he says from his welcoming booth inside the Corner Shops. Mark's store offers 200 sq ft of seating where he welcomes new customers and visits with returning friends. He approaches business from an old-school idea that it's 'easier to do it right the first time' as he offers a lifetime guarantee on all of his hand-made jewelry. With an A+ rating with the Better Business Bureau and hundreds of

five star reviews, it's evident that he is keeping his customers very happy. "Small business has to be personal" to set him apart

from corporations and large stores that have removed the personal elements from doing business.

Mark invites you to stop by for a chat in person or visit MagnetRocks.net where you can shop hundreds of designs of his hand-made quality magnetic therapy jewelry. Find Mark at his shop on Fridays, Saturdays and Sundays from 9 AM to 4 PM in the Corner Shops Mall booths 14, 15 and 16. For more information, see Magnet Rocks ad on page 9 in this edition of the Flea Press.
