Tidalwave Comics, Collectibles & Disney

Steve and Laura, proprietors of Tidalwave Comics opened at the market in 2011. They got their start on Row A but soon outgrew their space and moved into the air-conditioned E2 Mall. It all started when Steve's mother sent him his collection of childhood comics from Pittsburgh. Steve was soon collecting more than comics, buying and selling action figures, Star Wars, DC, Marvel Legends, Neca collectibles and more. This passion

project turned full-time when their eBay store kicked off. Steve actively buys collections so there is always something new arriving making it a new experience every visit. He also points out that they have

something for every collector's budget - from \$1 bins to high-end collector's items. Laura's passion is the Disney side of the business - located across the hall from Tidalwave. Laura specializes in Disney collectibles from vintage to the early 2000's. You'll find statues, figurines, framed artwork, ornaments and other interesting Disney finds. This is a must-see for Disney enthusiasts. Tidalwave is open every Friday, Saturday and Sunday from 9 to 5 in the climate-controlled E2 Mall - in the middle of Row E South.
