Vendor Spotlight

Let the sand art hosts guide you through a journey at their sandbox. Meet Ashley and Amanda, your hosts at Magic Milk Island Art on Row P-South. They've been helping folks create lasting memories here at the market since 2011. This unique business was created by Ashley and inspired by the wish to preserve her daughter's young foot imprint in the sands of St. Thomas where the family lived prior to moving to the Daytona area.

Known as the Island Girl and Sandy Mandy, Ashley and Amanda will guide you through a 3-step process that takes minutes to make and minutes to dry. Choose a stamp or your hand or footprint to imprint the sand

and then adorn with sea glass, premium shells and other beach decor from their treasure chest. Next, pour on the 'magic milk' over your creation to create a lasting memento. You can even pick up a 'footprint bucket' that includes everything you need to make your own creation at the beach! Ashley and Amanda also have a portable operation to bring to your location to make your event or occasion a memorable one for your guests.

The ladies assure you that no experience is needed as they guide you or your children through the fun process of

creating lasting memories. You'll find Magic Milk Island Art on row P-South at booths P245 and P247 from 10 AM 'til 4 PM - "Island Time" - Friday, Saturday and Sunday. Prices start at just \$15 and no appointment is needed so drop in at your leisure! See the process in action at magicmilkislandart.com, email info@magicmilkislandart.com or give them a call at 386-405-6836. The World's Most Famous Beach calls for world class fun and keepsakes, and they are delivering right here at the Daytona Flea & Farmer's Market.
