

# 2nd Anniversary Edition!

## It's hard to believe!

When dreaming up this adventure, never once did I think I needed to work through a pandemic plan and yet, back & forth, up & down, a pandemic plan we're all navigating. If you can remember back two years ago, the day after the May long weekend, Design Wall opened its doors & welcomed you all inside.

Thank goodness I did the work to create my website, I was able to have my doors open for a few months, and I met so many wonderful people all before "the world exploded". Last year we celebrated my first year in business together (apart), and this year, again, we will do the same!

Words fall short of my appreciation & gratitude and if we all stay steadfast, one day my front door will swing open again & we'll soak up the beauty together. Please continue to stay safe and help me celebrate this crazy world virtual-style again!

## 2-Day 20% Gift Card Gift Back

In celebration of 2-years in business, you get 2 days to shop & double your gifts - buy what you like now, receive 20% in gift cards back (before taxes) on your total purchase & come back & buy more later.

Double your pleasure, double your fun on this 2nd birthday celebration!

**SALE RUNS two days only:**

Monday, May 24th & Tuesday, May 25th.

Online purchases on the two days only qualify and each request will be filled in the order in which it was received. An email acknowledgement will be sent to confirm a curbside pick up time, or free city-wide delivery beginning on Tuesday, May 24th.

Loyalty Member Discount will not apply for this event and no rain checks at this time. A nominal Shipping & Handling fee applies for all out of town orders that are not otherwise arranged for curbside.

Online June 16 – 19, 2021

## Quilt Canada - Virtual Event

Design Wall is a proud virtual vendor at the upcoming Quilt Canada event being held online, June 16-19, 2021.

This annual event is anxiously awaited by quilt show goers, and for the first time ever, the event is being offered virtually by the Canadian Quilters Association. They are expecting this event to be highly attended and for a nominal registration fee, you too could learn, see & shop your way across Canada from the comfort of your home!

Click the Celebration of Quilting in Canada picture above to register for the event.

## Always New - Always Fresh

New stock arrives every wee at Design Wall and it's always online. I'm slowly able to stock back up with the essentials such as cutting boards & rulers; I always have Aurifil thread on hand and can order your needs in, with ease. I am receiving more and more wide-backs (including grunge), and collections of all sorts. Don't forget, I carry Featherweight accessories and maintenance items, Canadian-made Soak products, Marcia Baraldi Quilting Gloves, wool pressing mats, Fireside, Grunge, pre-cuts, kits, flannel, batiks, books, patterns, tools of all kinds and so much more. Here are a couple of beauties to feast your eyes.

## Did You Know?

I'm still changing my **window displays** each week. If you're looking for a safe and contact-free outing (I cannot guarantee it will be free if you see something you simply **MUST** have), my window displays change every Saturday. I show quilt samples or feature quilts of clients', coordinating fabrics, designer highlights, project ideas, or simply offer a little piece of beauty in which to escape.

I am able to **sandwich quilts** for you. I charge \$10/hour or any part thereof. Although not quite able to quilt your quilts at this time, getting them one step closer so you can, is something I can do. I will quarantine your pieces for four days and then work on them. I can then quarantine them here and have you pick them up, or you can quarantine them at home.

**Loyalty Member Discounts** never expire at Design Wall. However, I do ask that you remind me that you are member when you call in an order or place an online order (you know who you are). If you're not a member yet, don't hesitate. Spend more than \$100 (before taxes) and receive your membership. My small way to say thank you!

Manufacturer of rulers, templates and accessories

Kellie Kaczmarek continues to offer Zoom quilting ruler classes for all ruler quilting levels.

The beginner quilting ruler class is **free** with the purchase of the Edgie 6 & Charming rulers, and Kellie offers more advanced classes (for a fee) are with the purchase of other quilt ruler sets.

Please be in touch if you see a class you just have to take - I can help you register & get you the rulers you need!

## Exciting Announcement Coming in June

Don't you just hate it when companies do this?  
Coming soon....  
Stay tuned....

But never fear, even if it's a soft announcement, there are some changes coming and I'll soon be able to speak to the world about them. Believe it or not Covid can be blamed for this one - that darn Covid. humph
