

Deadlines, Deadlines, Deadlines!

Where does the year go?

Believe it or not, I have to have you think ahead a little ways. Firstly, to the holiday season that will be here before you know it and then to 2022..... may it shine brighter than the last two years! As such, there are three big things I want to tell you about:

#1

Christmas Quilt Gammill Quilting Deadline

Thank you for all the trust you've put into the Design Wall team's quilting skills thus far. We are busy completing client quilts all the time & we wanted to let you know that if you have quilts that need to be quilted as Christmas gifts, **the last day to drop off quilts will be Saturday, December 11th**. This will guarantee they will be **complete by December 23rd** - just enough time to get that binding on; unless you need us to do that too!

I will send out another reminder so you have a bit of time. Call for an appointment time and we'll work through the intake sheet!

Did You Know?

I'm still changing my **window displays** each week. If you're looking for a safe and contact-free outing (I cannot guarantee it will be free if you see something you simply **MUST** have), my window displays change every Saturday. I show quilt samples or feature quilts of clients', coordinating fabrics, designer highlights, project ideas, or simply offer a little piece of beauty in which to escape. There's been a bit of name-calling (all in fun), when people see that perfect kit, piece, or idea - but nobody goes away unhappy!

Loyalty Member Discounts never expire at Design Wall. However, I do ask that you bring your signed bags with you to your in-store visits to ensure my staff knows you are a special member. Please be sure remind me that you are a member when you call in an order or place an online order (you know who you are). If you're not a member yet, don't hesitate; spend more than \$100 (before taxes) and receive your membership. Members receive taxes off on all future purchases with the proof of membership!

My small way to say a huge thank you!
