

Step Into Summer!

July - Highly Anticipated!

As a kid, July was the month for which I longed for all year long. There were so many reasons to wish July would arrive sooner; school was out, Canada Day, my birthday is in July, and now my anniversary, it's always sunny & warm, and time with family & friends was somehow easier arranged in July.

Once again this year, and likely because of the world situation, July seemed to sneak up on me... even with the hopes of bbqs and birthday celebrations, many of us chose retrospection in light of Canada's history never letting us forget - and **forget, we shall not**. For many reasons, there were no anniversary gatherings, birthday dinners, or family get-togethers this July long weekend, in turn, my hope is that we all move forward as a multicultural country in a positive & respectful way to ensure our 94 Calls to Action are addressed & that such atrocities are never part of Canada's history again.

By Appointment Only Planned to Begin Tuesday, July 13, 2021

As I'm sure you're all aware, Manitoba has begun relaxing restrictions and has re-opened retail to 25% capacity.

I am fully vaccinated (plus my two weeks) and to always keep an extra layer of safety, am more than happy to accommodate **REMOTE SALES** if you're not yet fully vaccinated.

I will be open **BY APPOINTMENT ONLY** beginning, Tuesday, July 13th.
Please book ahead.

I will only be allowing 2 people in per visit and all visits must be pre-booked, based on availability. Visit times will be shortened slightly to keep contacts to an absolute minimum.

To book your personal shopping time:

Please email: simone@designwall.ca

Please call the shop: **204-897-8458**
(leave a message to secure space in my virtual line)

Please text: **306-292-8005**

I will always fill online or call-in orders, conduct text visits or FaceTime calls. I am happy to provide non-contact curbside pick-up or delivery within the city limits for **FREE**. With the uncertain and yet likely deadlier Delta variant now in every health region of the province, my commitment to clients' safety remains paramount.

My shop hours continue to run Tuesday to Saturday, open each day at 10am.

I will stay as late as my designated hours for pick-ups to best accommodate your schedule and my close time may otherwise vary depending on my delivery schedule.

Appointment times will be accommodated to the best of my ability & I ask for timely attendance otherwise your in-store time will be shortened. Not necessarily all days or times may be available; please ensure to book ahead and that your scheduled day and time are confirmed before you arrive.

I close Saturdays of Long Weekends and will be closed later in the month to accommodate the install and training of my new Gammill machines.

Check my home page at designwall.ca for any closures.

As always I thank you for your continued support & business. Without you, there would be no me, and much less fun & colour in our lives!!

Christmas In July!

Let's do something fun, shall we?
Let's flip off those flip flops, let's wrap up in those warm woolies, and let's think Christmas for a minute. Grab a cup of hot chocolate, if that helps!!

Imagine all the things you've been wanting to make for your Christmas celebrations in the past or coming up? The cozy, cuddly quilts, conversation-piece table runners, decorative wall hangings, gifts, and welcoming decor for every room in your home.

Imagine doing them all at 30% off!!!

If that doesn't heat your hot chocolate, I don't know what would!

All in-stock Christmas fabric, kits & accessories are on sale for 30% off from July

7th to July 15th.

All sale items can be seen in the Seasonal category on my website (or click the image above). I can also text pictures to you (start the conversation by texting 306-292-8005).

If it's going to be a gift, let me know and I can even wrap it for you (one less job in December). This is all about looking ahead & not being rushed.
