

HEALTH ORDER CHANGES

Effective Monday, May 10th, new, more stringent Health Orders have been put in place by the province of Manitoba.

As part of today's announcement, the Chief Health Officer also urged Manitobans to make every effort to reduce contacts in every way they can.

In this light, effective Saturday, May 9th, at 6pm, Design Wall is moving to an all remote sales model.

My clients' safety has always been my #1 priority & the decision to move to all-remote was not made lightly.

I hope you can understand and I ask for your patience once again, as we make every effort (together) to stay busy, stay healthy, and STAY SAFE!

~Simone
