National Jelly Roll Day September 21

Yes, it's a thing!

A couple of years ago, as I became more ingrained in the quilt world I learned of National Jelly Roll Day and thought "how fun is that"?

A couple of short years & Winnipeg's newest quilt shop later, I have the ability to acknowledge such a hallowed day, so on **Saturday, September 21st, you can save 21% on all in-stock jelly rolls** (while supplies last and not to be combined with any other discount offer). Get it? On the 21st you save 21% on any jelly roll on National Jelly Roll day! How fun is that???

Okay, so I'm not a comedian but I am a quilt-maker and to pass along on some fun and savings to my fellow quilt-makers brings me joy. If not before, I hope to see you on National Jelly Roll day!

Always intended to share noteworthy happenings & features at Design Wall this Digest is available on my website - designwall.ca! Feel free to share my web address.

Product Line Highlight

Design Wall is exceedingly proud to offer Kate & Birdie products!

The founder of Kate & Birdie Paper Co., a mighty Winnipeg-based company has graced Design Wall in a three ways, so far. Firstly, I had the extreme pleasure of hosting a visit with founder, Gloria Wall, and have brought in a small selection of her paper products - the inspiration that started it all. Find journals (for project planning), gift wrap sheets to add beauty to your life, and note cards.

Design Wall is proud to offer the True North (Moda) line (pre-cuts & fat quarters). Pair it with the coordinating BasicGrey Red Grunge and/or Fireside, solids or other coordinates and you'll have a piece of Canadiana that you'll treasure your lifetime through.

Last but not least, I am anticipating the arrival of Kate & Birdie's latest line, "Wonder" expected in September; her trademark of soft wispy colours on whispery prints will bring joy to your life.

2 More Good Reasons To Visit Design Wall
