### AURIFIL THREAD-OF-THE-MONTH CLUB - STARTS JANUARY 2020

Aurifil is offering an exciting new program to grow your thread collection, coordinate fabrics & to build quilt with a block-of-the-month, designed by Pat Sloan.

Your monthly commitment for 3 beautifully curated Aurifil threads (~\$44) entitles you to a block-of-the-month pattern. Design Wall will host a voluntary sew-in on the first Saturday after the 15th of each month after the monthly block is launched. Also, DW has partnered with JN Harper to ensure you have the perfectly matched Kona solids for the blocks.

**Please let me know by 12pm, November 29th if you wish to be included in this exciting program. [simone@designwall.ca](mailto:simone@designwall.ca)**
