

Grand Opening Saving Days

The goal at Design Wall is to always advance the art & craft of quilt-making.

In order to encourage just that, for the first 4 days of this week, an element of creating a quilt will be highlighted & discounted. By the end of the week, you can gather the main elements to create your next quilt. Friday, I encourage you to make time to attend the Cherrywood Hand Dyed Fabric Trunk Show & wrap up the week with a colour theory workshop with Karla Overland, owner of Cherrywood.
