

Tree Day - Feb 8th

In support of the Australian Bush Fire Survivors

A Day to Grow Trees & Hope

I've had a generous volunteer step forward to lead anyone interested in "Growing Trees" into 12.5"x 12.5" blocks to be sent to Australia, where all blocks will be assembled into quilts and distributed to deserving bush fire survivors.

Darlene Payne will instruct anyone wanting to learn paper-piecing, or simply be encouraged to create your own personal block.

Drop-in sewing fees are waived for the entire day. Design Wall is open from 10am-6pm.

Please send a quick email to simone@designwall.ca to reserve your table (maximum participants: 10).

- ▶ Bring your machine & sewing tools
- ▶ Bring scraps as only some will be provided
- ▶ Bring \$1-\$2 to donate for postage fees

When: Saturday, February 08, 2020

Where: Design Wall, 3242 Portage Avenue

Time: 10am-6pm

Other: Patterns & samples will be on hand. You are welcome to create your own trees as there are no rules in sharing of yourself & your time!

Finished blocks to be dropped off by Friday, February 21st for mailing.
