CHOOSE SPONSORS CAREFULLY

Sponsors publicly confess the Christian faith for their Godchild and publicly testify that in baptism God gave the child forgiveness of sins, eternal salvation, and deliverance from the devil. For their Godchild they renounce the devil, the world, and all sin. Therefore Christian parents will choose only sponsors who believe and understand the teachings of God's Word as confessed by the Evangelical Lutheran Church and who are concerned about the spiritual and eternal well-being of their Godchild.
